Course Delivery Overview

Two days of 7.5 instructional hours each (15 hours in total), 9:30am – 5:30pm with a single 30-minute lunch. Break durations are not counted as training time.

Facilitation Principles

- Use the slides for visual explanation and the Learner Guide for procedures.
- Keep company-linked figures clearly labelled as illustrative unless a source explicitly reports them.
- Require evidence, units, assumptions and limitations in every activity output.
- Use peer review before trainer synthesis.
